“ Joe has been special to me since he met and married my best friend, Peggy. I have respected and was touched by the love they shared for the last 50 years, and I know how Peggy cared for Joe in his last days - physically, mentally, and emotionally. Because Peggy is one of the strongest people I know, she will weather this storm, but I am certain she will have great memories to accompany her on her journey. Be well and stay strong, Peggy! Joe is another angel you know. I love you!!!
