“ In living memory of our late father daddy Jay (the winning team leader) daddy Jay was a man who believed in little things knowing that they can become greater. Today, a man with such a humble spirit has left us to meet our heavenly father in His holy city. He told me that my brother and I was the "number (7) seven sons which is the number of completion. Thank you daddy for every lives you impacted and those things you taught us. Now that the beautiful cold hand of death has taken you away, we will miss you till we meet again. Rest in place wonderful soul till we meet again.

“ In loving memory of my dear friend John Davison, who called me his brother from a different mother. John was a man of great faith, he had a true love for others as well as being a man of God. My wife and I was sad to hear the news that he has left us to be with the Lord. It has been hard for us not to hear his voice anymore, he called me most nights, and talked for hours about many things. I am happy that i got to meet and know him for the past 45 years. John always had the welcome open arm spirit and we never made any fuss about anything. May his soul rest in peace. Augustus Bangs

Daddy John was a true champion of humanity and godliness. He was a decent man and though we never met him, we experienced his unconditional love and affection. We will miss him greatly.

“ We are still devastated by the passing of John R. Davison. Daddy Jay, as we passionately referred to him was an angel to many. His love for God and humanity had no end. Daddy John, impacted so many lives through his humanitarian and missionary work: he built the Royals Academy here, in Liberia West Africa and championed its operations and establishment. He made sure teachers are paid, kids taught and fed. He loved and cherished Liberia which he considered his second home. His love for humanity while staying spiritually disciplined, is unheard of. My brother Festus and I have been cloned with his unconditional love and mentorship. We will forever love and miss him. He had planned on traveling to 🇺🇸 Liberia in April, I guess this would not be the case, but heaven knows better. We know he's in a better place with the Lord. Love you daddy Jay!
