“ To the Knight Family,

I offer my sincere condolences to the Knight family. I went to school with John (1975 - 1980) at St. George's College in Kingston, Jamaica. I remember the early years when we used to play "money football" just outside the first form and second form classrooms.

John will be missed by the rest of the guys from our 1980 graduating our class.

Big CJ you have touched so many lives although yours has been cut short have no doubts that anyone that knew you will always remember fondly " Big CJ" for sure . I know i will.

“ *Gone too soon. Will miss all the chatter and laughter on the telephone talking about the various football matches, current affairs, families and children. How you got excited when your alma mater won the Super Cup Football for 2015. Your face lit up when we spoke about Jamaican food especially the red peas soup and stew peas and the true Jamaican Christmas cake. Your special memories will always bring a smile. You were always a true friend that meant so much and will always do. You are no longer here but will be in our hearts.*

“ *Death is nothing at all.
It does not count.
I have only slipped away into the next room.
Nothing has happened.*

*Everything remains exactly as it was.
I am I, and you are you,
and the old life that we lived so fondly together is untouched,
unchanged.
Whatever we were to each other, that we are still.*

*Call me by the old familiar name.
Speak of me in the easy way which you always used.
Put no difference into your tone.
Wear no forced air of solemnity or sorrow.*

*Laugh as we always laughed at the little jokes that we enjoyed
together.
Play, smile, think of me, pray for me.
Let my name be ever the household word that it always was.
Let it be spoken without an effort, without the ghost of a shadow
upon it.*

*Life means all that it ever meant.
It is the same as it ever was.
There is absolute and unbroken continuity.
What is this death but a negligible accident?*

*Why should I be out of mind because I am out of sight?
I am but waiting for you, for an interval,
somewhere very near,
just round the corner.*

*All is well.
Nothing is hurt; nothing is lost.
One brief moment and all will be as it was before.*

How we shall laugh at the trouble of parting when we meet again!

“ Remembering all the laughs with John at all the soccer games. George loved the "man club" that he, John, and Javier formed. John was always a true gentleman and a joy to be around. Prayers for Sean and all the family. Our hearts are so sad. May God bring you comfort and healing and surround you with his love as your dear dad is resting in his arms and experiencing full joy and peace, the ultimate healing.
