“ *My deepest condolences to the family of the late John Wiggins. I met John in 1979 as we were simultaneously hired at USDA. We immediately engaged in a friendship. John met no strangers!! We shared that friendship since that time and exchanged birthday wishes in January in our annual phone call. Who knew it would be our last.. Even though we didn't see each other often that friendly bond still existed, you don't forget GOOD PEOPLE, as he. My blessings and deepest sympathy to you Rose, he loved you and the kids deeply.. God's speed in healing the void. With deepest sympathy,
