“ This is for my BIG Brother: I only met you 5 years ago, but it seem as though we had been sister and brothers all our lives. You made me laugh and you kept my spirit up. Although you were in my life for a short time, I'll always cherish the memories we had. God sent you to be a part of my life just for that little while. You meant the world to me and my family. Your nephews and great nephews will miss you the most. We all LOVED you. I'm sure that your brother-in-law is there with you and you two are laughing and talking about the service because you both were in the airforce. We wanted you here with us but God had something special planned for you. We LOVE and MISS you dearly Big Brother. LOVE ALWAYS! From your sister Rosa Mae, nephews Al and Norell, and great nephews DJ, Aaron, and Chris and Ma!!! Rest In Peace
