“ My Dear Sister Jean and Family,
How again I am so sorry that I will not be able to be there with you and the family. But my thoughts and prayers are with you and the family during this time of mourning. I did not know Johnny that well. But the little time that I did spend with him is to see that he was very giving and loving. One fond memory of him is right before our father died Johnny took the time to have us not to dwell on our father's sickness at the time. So he gave my baby sister and I a tour of Atlanta to different sightings, spending the whole day having fun. We really appreciate for just that moment and day we had a fun day. I will always cherish that moment with our dear Johnny. So my dear Jean, Myron and Andrea your husband and father, Johnny was certainly a loving person and he is going to be truly missed. So as you go this grieving period please know that your not alone but with many prayers I will be with you.

Love, your sister Maria
