“ *RIP Coach/Mr. Toombs I'm going to miss the talks we use to have in the classroom, the paranoia about trying the new modern things, and the constant encouragement for becoming a teacher. You inspired me at a time where I felt like my life/career was doomed. But you showed me the beauty of being a teacher, particularly in special education. Thank you for the letter of recommendation for GSU and thank you for calling checking up on me every blue moon. You were an awesome teacher and was loved by many. RIP you will truly be miss. My condolences*

“ I’m going to miss you my brother and birthday month twin. I know you’re somewhere around the Throne of Grace with our parents. When doctors gave one diagnosis, I could hear and feel you praying over me next to the word of God (the Bible). I love you, rest well, and we shall meet again. -Love, Helen

“ I would like to send my sincere condolences to the family of Coach Tombs. I will miss those Saturday morning checkup calls. "Stay in that word coach," GODS word ! As you would always say. And those daily breakfast duties at Towers High School- We had devotion everyday. You were the best Special Education Teacher I ever saw. You will be missed, but through your dedication, commitment, and friendship your legacy will live on. Thanks Coach! Coach Marvin Jones- Towers High School/Arabia Mountain High.
