“ Wallace Family, I am deeply sorry for your loss; John is with the Lord now and no longer in pain. He would always say "if these old legs would let me walk, I would be at the golf course. I am sure he' s in heaven playing golf.

John Lee kindness touched the hearts of so many. He truly believed in paying forward and living a life that was pleasing to God. He really loved God, his Family, Golf, his card games with his friends and junk food. I will always cherish the memories with my friend He will be missed.

May God continue to shower you with Blessings!

“ My Condolences to the Wallace family. Hi I'm Estella Walker from Tifton GA (cousin of John Lee) I remember when John Lee used to call me and if I was not at home he would leave a voicemail and say "Hey Girl I was just calling checking on you. I don't want nothing". I would call him back and we would talk. After our conversation, I would say to him "I love you John Lee"no response. I would say it again "I love you John Lee"no response and I say it again and he would finally say "Girl you know I love you". Rest In Peace Cuz.

“ I lovingly called Mr. Wallace “Uncle John Lee.” His brother, Uncle Pie, was best friends with my father, Luther Johnson, so all of the Wallace brothers were affectionately referred to as “Uncle.”

He was also a great friend to my husband, Al Martin whom he called Argo. They spent many years together around a friendly card table with Uncle John Lee “telling me to quit calling so much!”

Uncle John Lee had an infectious smile and laugh. All of the brothers had a great sense of humor and he could drop a line that would make you holla!

I am sure Uncle John Lee will be missed by his family to include his brothers, nieces and nephews that I know and love.

May his sweet memories last a lifetime.
