“ I met Jolie our Freshmen year at Spelman. She was such a happy vibrant student who was friendly to all on campus. She was always thinking of funny things to say to everyone.
In May of 2018, I saw Jolie at our Spelman College 50 Year Reunion. She was just as happy as always. It was such a great time to see and talk with her again. She told me that my brother-in-law was one of her doctors, Dr. Frank Cook.
She also talked about her family.
Jolie was such a shining star in our class and everyone loved her. Even though we didn't always stay in touch, I will miss her.
Love to her family,

“ Thank you for a beautiful service. I will never forget how supportive my Aunt Jolie was of me when my mom was in the hospital. She checked on me daily and comforted me. She always encouraged each endeavor I have gone after in life. She was a treasure! I am sending love and comfort to my cousins and my Uncle Alonzo at this time! We love you

Jolie was a bright spirit. When she entered a meeting of our class all of her Spelman Sisters would greet her with JOLIE with smiles and hugs. She was always happy with a big smile!

Wonderful person to be around. I loved Jolie's sense of humor and laugh. She always had some interesting stories to share that lifted my spirit. It was such a joy to work with her in the field ministry. She took a Jazz dance class with me years ago and she's a good dancer. She loved the arts and supported it as much as she could. Can't wait to see her soon in paradise.

“ *We want to share our condolences with our dear sister family and friends.*

When we lose our love ones in death it's the most difficult time in our lives.

However there's loving comfort in God's word to throw our burden on God

and he will sustain us. No matter what you are facing God is there to help you

though it. Thinking of you all.

“ To our Dear Brother, Alonzo: Please accept this as our heartfelt condolence as we mourn the loss of our Sister and Friend, Jolie. From the time we met we became fast friends. I have fond memories of the wonderful times we shared in the Ministry in the FL field, Studies and more. I especially appreciated your warm hospitality. Jolie taught me by example what it means to be a Grande Mère! May you find comfort in knowing she will be awakened soon!
