“ I haven't seen Yvette since we graduated back in 1978. It seems like yesterday that I would see her heart warming smile and hear her encouraging words pumping up our fellow classmates as one of the Trojanettes. My memories of her are fond and I hope to see her one day again in Paradise. God be with you in these difficult times ahead. My thoughts and prayers are with the family.

“ Sending thoughts, prayers and strength to the family. I haven't seen Yvette since high school. She was a great friend, fun to hang around and had a smile that lights up your heart. I wish I would have kept in touch better.

“ To the Family & Friends of Mrs. Peoples: May "the God of all comfort" give you all peace as you keep in mind..."God sent his only-begotten Son into the world so that we might gain life through him." (1 John 4:9). Jesus confirmed his role in raising up ones who fall asleep in death. He said..."I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." (John 11:25). God is faithful and always keeps his promises!
