*My heart goes out to the Ellison family. Jordan was a very nice young man. I had the pleasure to meet and care for him. My heart breaks for his mother. She was always doting and advocating for him. As a mother myself, I can only imagine the pain that she is feeling. May you find solace in knowing that he is no longer suffering in pain. Rest well young in God's arms.*

“ We pray you are wrapped in divine love, grace, and strength during this difficult time.

*\*I remember the summer Jordan spent working with us at the Village CDC to deliver meals to families in need. He was a beautiful child and treasure. There are no words I could imagine that could ease the pain. I hope you find strength in the love and support surrounding you and your family.*
