“ *I waited and waited for a call and it never came. I was so upset with you because we also have plans. It was not like you but I put on a smile and kept it moving. Couple weeks later still upset and confused because we talked all the time. You were with me through every part of my cross country move and then nothing. I found out why when I googled your name 💔 that was one of the worst nights of my life. I laid in bed and screamed and cried. I still don't know how to take it but just know things will never be the same for me. You help me at my worst and you were there with me at my best. I will miss you and love you more than I could ever express. Until we meet again my friend.*

“ To the Parents and entire family of Jordan Saeed Walker, we send Christian Greetings. It is an understatement to say that Sister Peggy, myself and others were saddened and stunned at the news of Jordan’s passing. It has been quite a while since I have physically seen Jordan, but Sis. Dot kept us well informed of his progress and warm spirit. She was so proud of him in his Coast Guard uniform. To Jordan’s parents our hearts go out to you. We resolve to keep you in prayer and our memory. The Lord Jesus knows the depth of your pain. Jesus said: “I will pray to the Father and He will give you another Helper, that He may abide with you forever”. (John 14:16)

“ Jordan, your loss has definitely broken the hearts of all. You helped my daughter become part of the Diamondfacez family and supported her. She admired you so much more than you all and appreciated all of your advice and support. You will be missed and never ever forgotten. We love you!!!!
