“ I never had the chance to meet Joey personally but being Charlotte's friend over the years I got to know him quite well. I knew that Joey brought his mom joy when she walked in the room and his face lit up. I knew that Joey had his own way of letting you know exactly what was on his mind when he needed to. I knew that he loved music and that he loved being on the go. I know he managed to wrap everyone he came in contact with around his little finger and when Joey spoke, everyone listened.

For a young man that I never met in person, he touched my life in an unforgettable way through learning about him through his mother. I have learned that people will listen if you yell so I don't have to keep silent when I think no one is listening. I learned that you don't have to have anything elaborate to feel joy, Joey showed that in the elation he showed from a simple song. I also learned that its never too late to make a difference in the lives of our loved one because he did that.

There are simply no words only thoughts and prayers. Charlotte and Nikole may the peace that surpasses all understanding be with you at this time. God have you back and so do I. I love you both...

“ Charlotte, Nikole, and Jose,
I'll always remember Joey totally immersed in his music anytime I
was at the house. It was so obvious that his music was a huge part
of his world. My sadness at the news of his passing is balanced with
the belief that he must now be enjoying the most beautiful of
heavenly melodies. I pray God blesses each of you with the
strength and peace that you need. Love....Dot and Ralph Bryant

“ I first met Jose as his Support Coordinator; I loved the way he would
let you know what he wanted or when he was trying to communicate
himself. I would come visit and he would be happy listening to music
on TV. I enjoyed advocating for Jose and his mother and I wanted to
send my condolences to the family... God Bless...RIH Jose.

Dear Charlotte and Nicole, and to all of Joey's relatives and friends, I offer sincere condolences. I consider myself Joey's friend. Joey knew he was loved and cared for by his mother especially, and his sister, but he decided to go to his heavenly home, the home prepared by The Heavenly Father, just to give them a rest. You will be missed Joey, no doubt about it, but when it is time for your family and friends to take our rest with The Heavenly Father, we will all be so glad to see you. Love to you and to your family.

“ *Joey I never had the privilege of meeting you but your mom spoke highly of you. Your smile is so beautiful it is a window to the beauty of your soul which is now free to explore and see the universe for yourself. “ A meeting was held quite far from Earth!
It's time again for another birth.
Said the Angels to the LORD above,
This Special Child will need much love.

His progress may be very slow,
Accomplishments he may not show.
And he'll require extra care
From the folks he meets down there.

He may not run or laugh or play,
His thoughts may seem quite far away,
In many ways he won't adapt,
And he'll be known as handicapped.

So let's be careful where he's sent,
We want his life to be content.
Please LORD, find the parents who
Will do a special job for you.

They will not realize right away
The leading role they're asked to play,
But with this child sent from above
Comes stronger faith and richer love.

And soon they'll know the privilege given
In caring for their gift from Heaven.
Their precious charge, so meek and mild,
Is HEAVEN'S VERY SPECIAL CHILD.
