“ Thank you Joe for always being a good friend to my brother (Black Boy). You were always willing to lend a helping hand when needed. I will never forget when you and the Cycledelix Ryders came to my school to perform for the students on your bikes. The kids (and adults) loved it! Your beautiful smile and persona will be deeply missed. May GOD bless your family during this difficult time.

Joe at YPM day: that is how I best remember him, leading by example, and smiling while taking time to wire and set-up computers to help train rescued children from Human Trafficking.

We miss you already Joe!

“ This picture of Joe says everything I loved about Joe. His great smile. His sharp wit. We were having troubles with a piece of the network. He found this Juniper book and wanted me to take it and give it to the guys writing the software. Smiling he offered "They need it more than I do"

You touched all our lives in different ways and we all will miss you terribly.
