“ *Goose was a really great friend. He was the friend that will keep you laughing even when you're mad. He was an amazing person inside and out. Goose will be truly missed always. To a true friend I love you always, Its saddens me to even have to write this ... until we meet again watch over all of us and make sure you show yourself every now and again so that we laugh til we cry again... To be absent from the body is to be present with the Lord you've gained you wings ...Fly High My Guy!!!!*
