

Josiah Darnell Pennington

November 24, 1993 - August 21, 2023

Josiah D. Pennington was born in Atlanta, Ga on November 24th, 1993, to Distarling and Samuel Pennington. Josiah's surviving siblings are Jada L. Wilson, Brandilyn T. Pennington, Aiden P. Redding, and Austin Pennington. He will also be missed by a host of aunts, uncles, cousins, and friends. He departed this life on Monday, August 21st, 2023. As a youth, Josiah accepted Christ and became a member of New Beginning Full Gospel Baptist Church, where he joined the youth choir, and enjoyed playing basketball for the "New Beginning Lions." As a kid he earned several belts and awards in Taekwondo, and even continued playing basketball for a local AAU team. It was evident at an early age that Josiah had an intense passion for music. At Dekalb Path Academy Charter School, he learned how to play electric and acoustic guitar, as well as percussion instruments. As he furthered his education at Columbia High School, he joined the Marching Eagles Band to be a part of the "Blue Pearl Percussion Section." After graduating high school, he kept that active school spirit and embarked on Augusta State University and joined the track team and later became the mascot. He went from mascot to Manager at the Masters Golf Tournament. Once he relocated back to Decatur, Josiah began to work at UPS where he managed the trucking schedule and made some great friends along the way. He was one of the most live and joyful spirits to ever walk this earth. You can tell the type of impact he had on this world with how this has effected and affected so many of us. To know Josiah was to love Josiah. We will continue to be the vessel that Josiah lives through. His loving

spirit and passion will burn in us forever.
