“ We are all deeply saddened by the loss of your loved one, and we wish there was something we could say or do to somehow lessen your sorrow...But time has a way of healing the heart and making peace with events that are so difficult to comprehend right now...And the day will come when you'll think of your loved one and be comforted by the memories of the special times you shared.

Sincere Condolences to the Eccleston Family

“*Joy joined us here in NY a few years ago in our endoscopy department. We all took to Joy so fondly as it was easy to do. Her smile always brightened our days. The nursing staff here at NUMC in East Meadow are saddened to hear of her passing. She was a wonderful caring nurse and an exceptional human being.. our condolences to her family.. she will be missed*
