“ May God's loving provisions comfort and sustain you now and in the difficult days ahead. His Word assures us that: The hour is coming when all those in the memorial tombs will hear Jesus' voice and come out. (John 5:28). God's promises are sure because he cannot lie (Titus 1:2).

“ Joy, you are missed but I thank you for being a wonderful friend thanks for the road trips, the beautiful and thoughtful gifts you gave me I will cherish them forever, thank you for planting flowers in my yard when it was pitch black outside and for helping to make my yard beautiful with your gardening advice and plants. Thank you for always being ready willing and able to assist me in any way you could. I cry because I lost a true friend I smile because I found an angel.

I remember the first time meeting you in 1973 in High School. It was if I knew you before. The last time I saw you was 1976, but you were always in thoughts. I use to be wondering where were you. You were like the little sister I never had, although we were the same age. When I heard that you pass away, although I heard 10 years after it shook me up. I will always remember you although our knowing each other was for a short time. Sleep In The Bosom Of The Almighty, My Beautiful Friend. We Will Meet Again On The Ressurection More. LOVE You Joy.
