“ Joyce was a soft spoken and warm and loving woman. We worked together at DeKalb Career Center and reunited again at DOL Sussex Headquarters and she was such a blessing to see again. The most wonderful memories of Joyce was the times we worked the phones at DeKalb CC and the calm and patient attitude she expressed with our customers. I sometimes wondered how she could always remain at peace through such demanding times, she was always walking in peace. I am so proud to have known Joyce in my lifetime.

“ I meet Joyce when she came to work at the DeKalb Career Center on Covington Highway. She was a warm, friendly and was always smiling. We exchange phone numbers and became friends. There wasn't a day that went by that she did not have an encouraging word to tell me. I am truly going to miss her. My thoughts and prayers are with all of you in your time of loss.
