Tribute Wall

KM

“ I can only say they lost to love and as the days go by my chairs love was called to rest. The days go by I don't understand how I had to loss such a precious Jewel. But to everyone that knew him he was different and special. Love you forever. To anyone that read this message if you have a spouse love him and cherish him because one day you could end up like me. From: Mrs. Juan Maso de Moya
