“ *MaDear, that's the name my brother and I gave you over 50 years ago. One of my mom's best friends. We have gone to church with you and watched you usher the full choir in. We have taken trips together so many memories. I am so glad you stop by my house on your way home to Georgia. You never forget the family you had growing up. I understand that we are on loan to each other by God for a short time but you leaving us hit me like a ton of bricks. Just talked to you for your Birthday and so glad we did. We will miss you. Don't worry about Tim and Gisela We got them. Rest in Heaven MaDear love you much

“ I too met Mom Clarke through her Daughter Giesla. She & I attended August Martin High School in Jamaica, NY. She was the Epitome of a strong Woman devout Woman. She didn't just tell us what a Real Woman was and what we could accomplish but she showed us by the life she lived. Her pure love transcends even now to my Spirit where I know it will remain. Thank you Geisla for sharing her with me. You & Timmy ate family...God has you & we your AMHS family are holding you up even from the miles around the Earth. You Mom is smiling down and remains alive in all the wonderful memories you hold dear. S.I.P. Mom Clark until we meet again. The Heavens have gained another Beautiful Flower for God's garden. “ To the family of Mother Clarke, Thank you for sharing her with us all. I've known the family since attending First Baptist Church in Great Neck, NY. Founder J.A. Griffin. I was around 10 - 12 years old when our family started attending church there. Me and my siblings were all Baptized there, sung in the Youth-For-Christ Choir along with Giesla.

*Mother Clarke could SANG and could dress.... We all loved her cooking as well. She was truly a humble, beautiful, caring Woman of God and has blessed so many souls with her words of encouragement.*

*Mother Clarke, you will truly be missed, Rest in Paradise.  
God Bless,*

“ Although I know that you are singing in the Choir of Heaven, right now, my heart is broken from your passing. You were admired by many for your fighting spirit; your go-getter attitude; but most of all for me, your love. At times you have been my one and only cheerleader. Your hospitality was unmatched, and you had a style and vitality that was uniquely yours. I am named after you, and I will honor your memory by continuing the good fight of faith.

“ Our Cousin Juanita Clarke, we loved her. She had nothing but LOVE for her family. This family loved her more. We shared many happy events in Queens, N.Y. for many years. Our love came down to Atlanta with that wonderful smile she wore all the time. Our visits were by phone many times at this point, however, we reached out and touched. Thank God for this lady he shared with us many years.

God has spoken, we must say amen!

Sincerely,

I met Mrs. Clarke on one of our Senior trips. She was such a beautiful lady with such a sweet spirit. I told her my maiden name was Clark without the E but we were going to say we are related. Whenever we saw each other we had the best time talking. I will truly miss her, she was my friend.
