“ Dear Comer Family: Please accept my sincere condolences for your the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

When I think of Juanita I think of the inviting smile she so generosity gave to everyone she met. As she ushered for years at AMC it was always the smile that prepped those who entered for the love, truth and support expected. Thanks for that and now you can received that from the Heavenly Host on your arrival. Our prayers are with Eugene and their family and love ones... The Anderson's Terence & Brenda

“ *The Greatest joy was serving in your God blessed, hope bringing, life giving wedding! I smile from the inside out when I think of it.
My greatest memory is of your ability to revive a dried up plant. I learned so much in that one demonstration.
We know I'll see you again and Eugene you are in our prayers. ❤️
