“ Dear Fisher Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ 5/4/2018 To my Uncle Oliver and family, I will have great memories of Aunt Juanita. I always enjoyed going to their home on Olive when the family members would come in from California, we would have a blast!!! And when we traveled to Lawson, MO for a visit that was even better, good food, lots of space and great dessert. Loved spending the night. One thing I can say she was a radical for Christ, a power house. Wasn't loud by nature but if it had anything to do with the power of God -She was LOUD and was not ashamed to give God the praise and glory. She was definitely a woman of virtue and a great representative of Holiness. So glad I was able to call her during her last week on this side of heaven. Aunt Juanita you will be greatly missed!!!! We will keep a check on "Oliver" for you. God Bless

“ My heart was saddened to here of Sis. Fisher's passing. To the family I am praying for your strength during this difficult time. My greatest memory that I will never forget is when my family started attending Christ Temple. We (my siblings) always sat with my mom. I remember Cheryl use to tease me about this. We later laughed about it over the years. But it was this family that became my first friends at the church. Sis. Fisher and her family always treated me like family. There were not many homes my mom would allow us to go to, let alone spend the night, but the Fisher home was never a question. Sis. Fisher's hugs were so genuine she just had a way of extending her love! After, they moved on and I would see Sis. Fisher occasionally at other services, she would say "hi sweetheart" with open arms. She will truly be missed! Much love and healing to this marvelous family! If there is anything I can do during this difficult time or beyond please do not hesitate to ask!
