“ My deepest condolences to the family. Ms. Nita was a leader, cared for others in her community, and at St. Paul AME church. The love she gave to the children at the church during Black History Month gave them motivation to express themselves. She will be dearly missed, Maria, Zaria, and Jazmyn.

“ My deepest condolences to the family. I have such fond memories of her at St. Paul. She was a leader, an encourager, an advocate for equality, a most talented, gifted and tough woman of God. I can still see her leading the kids at St. Paul especially during MLK, Jr. Day and Black History Month. The children loved and respected her and she could keep them all in line like no one else. May the love, comfort and peace of God carry you through this difficult time. May your most cherished moments bring you joy in the days to come.
In loving memory,
Susan, David, Daijah, Sariah, MaCaleb and Peyton

Remembering Juanita Hazzard Lee with deep affection. We grew up side-by-side as neighbors, and I'll always cherish the memory of her being my high-school prom date all while I was integrating Abbeville High. Even from Savannah, GA, I've followed her journey with pride as she continued her studies at Savannah State University. Juanita's kindness, grace, and bright spirit touched everyone around her. She will always be remembered and deeply missed.
