“ *Dear Jack, You will not recognize the Adderton name but I was Mary Mitchell. Julia and I were cousins. The Duerson, Bennett, Miller family reunion is sadden by the news of Julia's passing but we know that God will take care. Know that the family will be in prayer for you and the rest of the immediate family. Julia was a lovely person. She always had a beautiful smile on her face. She was also task committed. If she had something to do she gave it her all and all. Let us hear from you.*

“ *Jack: We all grew up and went our separate ways, but there is a part of us that has always remained connected by the times that we shared as we were growing up. Julia is a part of those memories. We are all saddened by her loss. We were not only cousins, but we were friends. You are in our prayers. May you find peace in the memories that the two of you shared. With our Love, Gubbie, Sissy and Cousin Aurelia*

“ To The Family and Friends of Julia Arnold:First, I would like to send my condolences to each and every one of you. Although we are not acquainted with one another, we all know what it feels like to lose a loved one to the enemy death. I’m sure that some of you are overwhelmed with sadness and that only shows that death is unnatural. Death was never supposed to be a part of life.Our Heavenly Father feels the pain that you are going through. He promises that the day is soon to come in which he will wipe the tears of sorrow from our eyes forever and death will be no more. (Revelation 21:3-5) He also promises that all those in the memorial tombs (graves) will hear his voice and come out. (John 5:28, 29) Until his words are fulfilled may each of you continue to take comfort in him.
