“ It is my heartfelt and sincere prayer that Almighty God will give the family peace in your quiet moments and comfort to replace your grief. Jesus came and gave his life so that we could have the prospect of living forever. (John 3:16) May this promise that one day in the future you will be reunited with our beloved Vicky bring you hope and give you peace.

“ *I first met my cousin about 3 years ago. She and her daughter flew here to California for a Homegoing service for another family member. They stayed with us during that time and we had a wonderful time through our sad occasion. I hated to see her leave. I enjoyed them both so much. I will continue to lift you all in prayer. Your California family loves you all. God bless and lean on to the Lord for understanding. May peace fall on your hearts in due time.*
