“ Justin, I am deeply saddened to learn of your loss. You and family have my profound sympathy. “Grandma” and I became close friends during Ethan’s GFA days and that friendship continued to grow. I am truly going to miss our regular telephone calls and lunches when I came to the Atlanta area.

“ Justin,

*Ethan and I are deeply saddened by the loss of your Mother. May you have comfort knowing that she lived a great life. Although life tossed obstacles her way, your Mom endured it all with grace. The love that she gave the two of us, will always be cherished. Our deepest condolences to you, and your entire family.*
