“ *To The Family of Julian V. Pugh, Jr.*

*I've known 'Junior' most of my life. He was a dear friend. He's Home now and life's trouble are over.*

*I will remember my friend and reminisce. The picture with my oldest sister Cynthia and my youngest sister Jennifer are but one pleasant memory. He sent me a text on Sister Pugh's birthday (pictured with Junior in days gone by at Mt. Moriah).*

“ Julian was dear and loyal friend to me. I so enjoyed our times spent flying our planes. I also was blessed to take him dinner and spend time with him sitting out and just talking about Gods hand on our lives. I will think of you my dear friend every time I fly your plane . The one you insisted I take and fly for you. God grant this good man everlasting peace as only you can, In Jesus’s name I pray. May God comfort his family in this time of sorrow.

*We are so saddened at the passing of Julian. We first met Julian and Pearl at a smooth jazz concert in the mid nineties here in Washington State. We have stayed in touch all these years since their move to Georgia. Julian was an exceptional man. So thoughtful and considerate. We looked forward to his cheerful, positive texts every Friday. They made our week. He will be greatly missed. Julian made this world a better place.*

*Our love and condolences to Pearl, Ashley, and the entire family at this sad time. May he rest in peace.*
