Julian M. Wright was born on December 24, 1968 in St. Louis, Missouri to Beulah M. Wright and the late Jack Wright. He was raised by his grandparents, James and Mary Wright. Julian joined the church at a very early age in St. Louis and later united with New Bethel A.M.E. Church of Lithonia, Georgia. Julian was a graduate of Eastside High School in East St. Louis, Illinois. After completing high school, he joined the United States Air Force and served in support of Desert Storm and was a proud member of the honor guard. Julian worked for 21 years for Target Corporation where he was a property management technician. Julian's family was his pride and joy. Nothing made him happier than spending time with his wife and children and being surrounded by a crowd of family and friends. He was an extremely hard worker and he believed in helping others. He always had a cheerful smile and great disposition and willingly gave to anyone that needed help. He touched so many lives with his kind generosity. His favorite past time was firing up the grill and experimenting with a concoction of herbs and spices for the variety of meats he would prepare. His love of sports was well known by everyone that knew him. He loved the San

Francisco 49ers and the St. Louis Cardinals. His favorite way to relax and wind down was watching ESPN, which was his favorite channel. Julian leaves to cherish his memory: a devoted and loving wife, Terolyn; three children, Julian Albert (17), Jordan Andrew (15) and Jaslyn Alexis (9); mother, Beulah M. Wright; two uncles, and three aunts. He is also survived by his father-in-law, Albert Gamble; mother-in-law, Carolyn Gamble; brother-in-law, Chadrick L. Gamble; one niece, Jamena Gamble; and grandmother-in-law, Costella Rembert. He was preceded in death by his grandparents, James and Mary Wright: and two uncles, Robert White and James Wright. Julian was well-loved by so many. He will be sorely missed by his family and a host of very close cousins, friends, co-workers, and extended family.

“ *I will never forget how you gave me comfort and support when my aunt passed. You were more than a coworker, you were a brother and a friend. You encouraged me to give my relationship with Chip a chance and I know how happy you were to find out that we were getting married. You would start everyday by telling me something inspirational that your uncle had sent you or a bible verse from Mrs. T. I love you and will miss you my friend, my brother*

“ I couldn't believe what I was hearing when I received this call last week. I'm still in disbelief. I worked with Julian at the Stone Mountain store. He was like that big brother that I never had. Sending prayers of comfort to his family. To Julian, you will truly be missed. Rest In Heaven my friend.
