“ My deepest condolences to you and your daughter Cyrena. I will miss those conversations and occasions when Julie and I would get together. We met in Fifi’s ballet class when we were ten years old. We reconnected later in life and kept in touch as often as we could. Our last adventure together was for my birthday in Los Angeles and we had a ball. Julie will surely be missed by many. May she rest In heavenly peace 🙏

“ To my sweet Julie, I thank God for the time we shared. In the past 7 years. Our vacations to Miami with Serena and the baby. Fort Lauderdale Florida, dancing at the beach and Las Vegas going to shows eating great food and living out best life. Our vacations will not be the same without you. Until we meet again... may you rest in eternal peace. I love you Juanita and Rodney

*Cousin Julie,
My heart breaks that we never got our date! I'm grateful though for the many fond memories when we used to stay over your house while the grown ups went out. Visiting you, Aunt Ida and the dogs and just being in awe of your fashionable clothes. I thank the Most High for the times we did share and the talks that changed my life. You will always remain in my heart. My love to cousin Cyrena and baby girl. My deepest condolences to all who knew and loved Julie. May her memory be a blessing and comfort to all. With love cuz, Yael, Craig, Evana and Rafael*

“ My deepest condolences to the family of Julie Moore. There are no words that can express how saddened I feel about Julie's passing. Something I do know for sure is that Julie was a great person and I am blessed to have met her. Even though, we knew each other for such a short time, I realized that we built a beautiful bond together. I will keep those special moments we shared close to my heart. Cyrena, only time will heal a wound like this, but you will always cherish the memories you shared with her in your heart and mind. You are in my thoughts and I am here to help and support you during these moments. May our Heavenly Father bring peace to your heart, Love, Kathy

I will never forget Jules ,Her and I were together at a banquet the night she took the picture in the red dress. I miss her so much that it hurts.We both had no family in the West Palm Beach area ,so she told me that we were all we had here and had to look out for each other. I LOVE AND MISS HER SO MUCH.
