

Ms. June Powell

June 30, 1942 - September 28, 2022

June Hyacinth Powell, age 80, passed away peacefully on September 27, 2022. She was born on June 30, 1942 in Vere, Clarendon, Jamaica, West Indies and spent her formative years in Jamaica before immigrating to the United States in the 1960's.

June loved life and approached each day with joy and zest. She was passionate about people. June lived a life in service to others – whether that was working in the hospital as a nurse, participating in prayer conferences or international mission trips, or working with survivors of intimate partner violence in Toronto. June's greatest desire was to see her family and those around her embrace the love of the Lord. She told everyone she came in contact with, of the soon coming of Jesus. June Powell was the embodiment of Ephesians 4:32 "Be kind to one another, tenderhearted, for giving one another, just as God through Christ has forgiven you."

June nurtured her child, her siblings and her nieces and nephews. When asked they can all share stories about the advice she gave, the meals she shared, the prayers she prayed and the care she took in recognizing and

meeting the needs of each individual. She is survived by her daughter Karon, her niece Juliet, and her grandson Colin; her brother E. Partick, her sisters Daphne, Sylvia, Joy and Marjorie as well as numerous nieces, nephews and grandnieces and grandnephews.

“ She met me at Alley Primary School. The students loved her because of her energy. Her long pleated skirt swirled around her slim body. It was the either the end of 1962 or the beginning of 1963.

I don't know what she saw in me. The circumstances of my 10 year old life were crushing. How could a 21 year old be so intuitive. She asked if I would come and live at Top Hill with her and her parents - Pretty and Mass Jim. I said yesss!!! Then, she got a job in Thompson Town in upper Clarendon and I still agreed to go to Top Hill although she wouldn't be there.

Although it was a bit lonely, I must thank her for the most peaceful 17 months of my childhood.

She was visiting Top Hill once and I was ashamed to see her because I was pregnant. She sent a message to tell me to come, it was okay. I went and she treated me with love and acceptance.

There wasn't one word of reprimand nor any expression of disappointment. She understood well my predicament and she refused to add to my shame.

She had so much energy, so much vision and that wide bright smile reflected her heart.

Miss Powell, I will always love and hold you in my heart.

I know there is rejoicing in heaven as the Lord opens His arms and welcomes you into His embrace.

Let us celebrate a life well lived.
