“I have known JW since he was just 18 years old, when he first started dating my sister, Shaun. From the very beginning, he became more than just “my sister’s boyfriend” — he became family. Over the years, JW filled a space in my life that only a brother could. I loved him like the brother I never had, and his kindness, humor, and steady presence became a blessing to our whole family.

Losing him leaves a space that can never be filled, and he will be deeply, deeply missed. But I will always carry the memories of his warmth and the love he gave so freely. JW will forever remain in our hearts. - Bridgett Burrage Figueroa

“ It is with a heavy heart that I learned you have gone on to a better place. It was truly a pleasure to work alongside you for years. Your passion and pride were always something to behold, and your charismatic laugh could make everyone around you smile.

We didn't just lose a teammate—we lost a genuinely good person. Your presence, your work ethic, and the way you treated people will always be remembered. We are better for having known you, and your impact will continue to live on through everyone who had the privilege of working beside you every day. Rest easy, my friend.

Love,

JG
