“ My sincere condolences to the family members during this difficult time. I just want to share a scripture that has strengthened me when I lost a love one. I pray it soothe the pain you are experiencing, and give you strength to continue to cope. Isaiah 41:10 "Do not be afraid, for I am with you. Do not gaze about, for I am your God. I will fortify you. I will really help you. I will really keep fast hold of you with my right hand of righteousness."

“ My sincerest condolences go to my Spelman sister, Andrea, on the loss of her dear husband, Kahlil. I had the great pleasure of working with Kahlil on various history programs and events. He was so well connected, a very generous and nice person to be around. I'm thankful for the time we got to know each other. May you rest in peace, dear brother, Kahlil.

“ My sincerest condolences to the family. Losing a loved one in death is painful. It is such times like this that we should look to the Almighty God for comfort. Psalm 34:18 says, "Jehovah is close to the brokenhearted; He saves those who are crushed in spirit."

May your reflection on this promise and your many fond memories give you the strength you need to endure this difficult time.
