I vividly remember Karen growing up in South Caicos, along with her siblings initially.

She was a quiet and beautiful soul. My husband and I always kept her and her family in prayer, especially her dear Mother, Aunt Cynthia, during her illness. May her departed soul continue to RIP. Gone too soon .

“ I am deeply saddened to learn of Mrs. Karen's passing. She was a remarkably kind individual from the moment I first met her many years ago. My heartfelt condolences go out to her family during this difficult time, as I would not wish this profound pain upon anyone. She consistently demonstrated kindness and was a woman of faith. I am grateful for the opportunity I had to converse and share laughter with her just a few months ago. I hold a deep regard for every member of her family whom I have had the pleasure of meeting. It is truly painful to acknowledge her absence. She is now at peace in her Father's embrace. We shared a precious bond through a mutual love. Please accept my sincerest and deepest sympathies to the family. My family extends our prayers to you all.
