*My dear sister Karen, Words can not express the hole in my heart right now. You were my sister. I've known you as long as I have known myself. From 1st Corinthian baptist church in Phila. Pa., Sayer Jr. High and West Philly high. We were "The Emotions". Our families were so connected. You fought a good fight and I know you are resting in the arms of Jesus. Your faith never waivered. To the Kersey/Hill family, May God prop you on every leaning side in these times. Know that my prayers are with you.*

“ Brooks, Brittani, Skylar and Kersey-Hill Families:

*There is nothing like the loss of one of God's beautiful children. I will always remember Karen and time spent together as friends and roommates at Mansfield State College. Karens caring spirit has touched many. I will miss my friend. Rest now with The Lord, well done!*

“ Karen's light will forever shine in the hearts of those who knew her. I had the pleasure of working with Karen at the Coca-Cola Center and she was always kind, thoughtful and just a beautiful person inside and out. Family, heaven has gained another beautiful Angel!

Karen, you will be truly missed! You called me your Sunshine, but you were a beautiful spirit that was easy to shine for! We text most every day and it was a pleasure to speak words of encouragement and give you support to keep you fighting the good fight of faith! This journey was hard, but you handle it with grace! We worked at Coca Cola together and your smile would make anyone's day better! You will always be in my heart and I'm going to miss you so very much! To her family may God peace reign in this time of grief, but God is able in due season to heal your hearts! 💜

“ It is with deep sadness that I share the memories of my dear friend, Karen Hill. I have known Karen and her family for more than 25 years. Our friendship began when Eric and Karen enrolled Brittani in softball, and over the years, Karen and I built a bond that became much more than friendship — she became family to the Brantley family.

*Karen was a caring, compassionate, and loving woman who always offered encouragement and support to me and my children through some of life’s most difficult challenges, even while facing struggles of her own. Her strength, kindness, and unwavering love touched so many lives.*

*We will deeply miss Karen’s presence in our lives. While we find comfort in knowing she is in a better place, our hearts are heavy, and it is still very difficult to let her go.*

*Rest peacefully, Karen. You will always be loved, remembered, and missed.*

“ Karen was the sister of my good friend Valerie. When I met her, she was pure sweetness in spirit and light. I am sadden and extend my deepest condolences to her family as her light on this side has dimmed, but her brightness will live on in our hearts and with our Lord Jesus Christ. I wish you all love and peace as you memorialize this Angel.

“ My dear Valerie and Family, praying for you all immensely, as I know this is a very hard hit for you all! Karen is resting peacefully now and watching over you all! I pray that same peace will comfort you and your family as you continue on your journey without Karen in the present, but her Presence will live on forever!!! Love you so much and you will get through this with your Faith! Love, Cheryl Hartry
