My deepest condolences to the family and may God continue to comfort you and give you the strength to endure. Karima's presence here on Earth will truly be missed but her spirit will continue to live on through her mighty legacy. I was blessed to have known and work with Karima for many years. One thing about Karima, she loved her family dearly and always looked forward to her Sunday " Family Time" Remain close knit and keep that tradition going in her honor.

“ *To the Family ,
My deepest condolences and prayers to you all. May God strengthen, comfort and give you His peace now and forevermore in the Mighty Name of Jesus Christ, amen. I love Karima, she and I went to Ministry Classes together and from there we became Sister/ Warriors in Christ. We did outreach together, I loved hearing her sing too. I found her to be Real and she was a defender to those who were being mistreated by others. Being mistreated would never happen on her watch, she was chosen by God to not only to represent Him, but to fight for those who had no one to fight for them. I will truly miss her, but I know she is alright and with our LORD. Thank You God for the life of Karima.*

Love to all, 🙏❤️❤️❤️

“ Karima will truly be missed.. One thing I remember about Karima is that she loved the lord and loved sing praises to him. Her and I sang in a gospel group and she shared with us that she always started her praises to God through a song. I will missed her beautiful smile and beautiful heart for others. My prayers go out to her family at this time.. God has taken another angel and she is watching over her family.. Love you my friend.

“ *My Friend, sister-in-the-Lord, confidant, secret-sharer, you will be sorely missed. but be still my soul, the Lord is on our side. Bear patiently the cross of grief and pain; leave to GOD to order and provide; in every change GOD is faithful and He will remain. Thank You, LORD GOD, for allowing our paths to intertwine, its been a blessing and its been my pleasure. Karima, my Friend, I know that you are in the arms of JESUS. We'll get there one day. “ A pillar has fallen! That beautiful infectious smile is no more. We've lost a person who meant so many things to many people and has surely made an impact on our spiritual life journey. I am touched and can't seem to get a full grip of this sad announcement. Is it real ? This is not only just close to home; it is at our dinner tables, as we have broken bread together many times.

Rest In Peace my Sister, Rest! Your Rewards Await you! We will carry on discipleship as we are charged to remain Disciples Of Hope!!!
