“ Karyn my heart dropped when we received the news of your passing. As your classmate, I thought of the last time I heard your voice and I thought oh how much you were the voice of reason. I thought of our antics in drivers ed, I don't think Mr. Seay thought we would get our license but, we proved them wrong. Rest in heaven, and it was a pleasure to call you a friend.

“ My Dear God Mommy, you really messed us up with this one. Thanks for always being in my corner, crying with me, being with me on my 16th birthday (that was the best birthday), eating Mexican with me, having the best snacks and loving on me when I found out I had cancer. I have literally a lifetime of nothing but hilarious memories an a life time of fendi bags. I love you God Mommy and I promise to take care of my momma for you'll forever be in my heart and always on my mind
Love, Danielle 💙

“ *I will always remember how Karyn could make a person laugh at her "antics". We haven't taken trips together with our special gang of nurses and friends, and we would always have something to laugh about that involved something that Karyn did!. While Karyn was witty, and sometimes silly, she was foremost, a very smart and intelligent woman. I'm still in shock and disbelief. My forever " Home girl".*

“ My Condolences to the family. May the Lord comfort and surround you with his unconditional love during this sad occasion....Karen was a delight. Every time I saw her she made my day better with her wit, laughter, warm and caring personality. God gave her such a wonderful spirit. She is gone way too soon BUT God knows best and I trust it was time for her to leave us and join the Lord. Rest in Peace Karen. Debi Cameron
