“ *It is hard to believe that she is gone. We meet 15 years ago when Kevin & Saron got married but it was like we knew each other our entire life. You made my children & grandchildren your children & grandchildren all of them you love the same. I never seen two mother-n-laws be as tight as you & Lee. It was a joy to spend time with you. And really feel you love us as much as we love you. Now get you a great seat in the Kingdom. Know you, you have a lot to tell. Love you Donnie.*

“ *One thing I know...we never understand the "why's" of life. Kassie was such a sweet person, always ready to give a smile and hug when I saw her. I was so heartbroken to hear of your loss. Please know that so many others loved her...we are praying for you. So many others care. Your grief is also mine.*

“ *To the Bennett family, Ms. Kassie supported the women I serve here at Stinson & Associates for many years getting them items needed for their newborns, educating them on breastfeeding, safe sleep, and car seat safety. She was an amazing, phenomenal beautiful human being and she will be missed oh so very much.*

But I know that you are safe and doing fine now, in the arms of Jesus. My memories of our long! long! long! laughs and talks are forever stamped in my heart. The world has lost one of it's brightest lights in you. We will meet again in our eternal home, HEAVEN*
