“ Kitty, I called to wish you a happy birthday today (November 22, 2024), after giving your number to Gil to call you. I'm so hurt and disappointed to learn that we didn't get to speak again before your passing. I'd been thinking about how talking to you would be like having a piece of my Mother with me, for a moment. You would know I'd been thinking about her heavily since her birthday (November 20), and I was really looking forward to speaking with you and scheduling a time to visit so you could meet my family. You knew that you were as much of an aunt to me as my biological aunts, even closer most times, since they were so far away. Gil was just sharing different memories with me about you and Brooks, Jr. Please, if any of your family members reads this, contact me or Gil. Walter, Eddie, and Harvey...we send our warmest condolences to you and your family. May peace forever be upon you, Aunt Kit Kit. Love Always, Samadia Hamidullah, formerly Cassandra Delores McMillian, on Facebook: Samadia Shabazz.
