My Memories of Kitty

I have known Kitty for over 45 years. I have been blessed to know her. Kitty was a fun, loving, loyal, genuine, giving, and funny person. I remember when I lived in Brooklyn and Kitty would come down from where she lived at that time. Peekskill, Ossining and then Mt. Vernon. We had a lot of fun together. She was family to me and my family. My mother loved her. She had a way of making anyone she cared for feel special. I have many memories of her. We shared good times and bad times. Kitty was Kitty and Dolores was Dolores. There were times when we argue, fight and sometimes would not speak. We loved each other and we always came back together. That’s what family do. Like I said I have many memories of her, but this one changed my life.

About 35 years ago Kitty and I was not speaking. I was in a bad place in life in Brooklyn and I called Essie and told her I needed Kitty to come and get me. At that time Kitty lived in Mt Vernon and she was at work. Essie called Kitty. I would never forget it; Kitty came in her white nurses’ uniform after work to get me. She showed up like and guardian angel displaying her love and loyalty and bought me to Mt. Vernon. Where I live now. Kitty gave me a new lease on a better life and I will forever be grateful to her. Before she move to Conyers, Ga I was able to be there for her; but when she moved again we were not speaking.

I reached out to her when I heard she was having medical issues. We would speak periodically when her medical issues occurred. In 2019; I thank God I did get to visit her and family, where we sat at the Essie’s table and talked about some of the times we spent together. Kitty fought a good fight until she was tired.

**MY SISTER IN CHRIST, MY COUSIN, MY FRIEND
I LOVE YOU AND I WILL MISS YOUR SMILING FACE
REST IN PEACE
