“Bobbie was a long time friend and client for the last 20 years. She was a part of our Salon family. She said on many occasions that it wasn't about the hair as much as it was about the camaraderie and sisterhood that we shared. Bobbie was easy to be around and talk to. She never complained about anything, even as she faced her health challenges. We had many things in common. We loved Black art, exchanging recipes, growing house plants, and especially our love of jazz music. She always greeted everyone with a big hug and a smile that made you feel extra special. Her spirit will truly be missed. RIP. Faye & Frankie Bolden

“Bobbie and I met almost 60 years ago at Drake University in Des Moines IA. We became the best of life-long friends. We've stayed connected over the years and it was such a blow to hear of her passing. My husband Bob and I, who also met and knew Bobbie from Drake, extend our most sincere and heartfelt sympathy to Bill and her sons, her sister, and the rest of her family. May your memories give you comfort and peace during this sad time.

Bobbie bowled with the St. Philip's league for several years. She was a delightful personality. We missed her when we left Decatur. Our heartfelt sympathy goes to her family. Teena and Moses Scott

*Momma B I will always miss your measure tone and wise counsel. Thank you for all that you have done for me and our family over the years. You are a true treasure and i will always miss our talks, I was blessed to have a second mother be a part of my life after I lost mine seven years ago. There are no words for the way you stepped up and how you were there for me, Love you Momma B and my brothers and I will be looking after Bill in your stead as you already established the blueprint for familial love.*
