

Mrs. Kathy Elaine Moss

March 4, 1961 - January 8, 2024

Kathy Elaine Moss was born in the small town of Moneta Virginia on March 4, 1961, the second of four children to her parents, Norma Jean Gates Saunders, and Willie Edward Saunders. Kathy spent her early years growing up on a small farm with her parents and grandparents.

Kathy was a wonderful person, known for her warm and kind-hearted nature. A dear friend once said she could “smile with her eyes.” She enjoyed bowling and television shows about first responders, which brought her much joy and relaxation.

Kathy attended Staunton River High School where she played the clarinet in the marching band and lettered in volleyball. She furthered her education at Emory and Henry University, where she continued playing volleyball at the collegiate level.

Kathy left Virginia in the early 1980s and moved to Maryland. From Maryland she commuted to Washington, DC where she started her career as a legal assistant. This was a source of pride resulting in a life-long career. She was dedicated and hardworking, always striving to provide the best support to her employers and coworkers. Her diligence and strong organizational skills made her an invaluable member of the firms she worked for, notably the prestigious firms of King & Spalding and Morris, Manning & Martin, LLP.

Kathy was a volunteer for her local fire department and provided meals on holidays, with her favorite being Thanksgiving. She attended EMT conventions where she once met her favorite television actor, Randolph Mantooth from the television show "Emergency." She continued her support of the fire department when she moved to Georgia and was well known to the local Clayton County Fire Department. She often baked cookies for them.

Kathy is survived by her loving husband David Moss, her siblings Bonnie Henderson, Edwina Williams and beloved baby brother Todd Saunders, cousins John and Mel Harris, and other family members in the state of Virginia.

Kathy Elaine Moss will be deeply missed by all who had the privilege of knowing her. Her warm smile, caring nature, and dedication to her loved ones and friends will always be remembered. We love her and may she rest in eternal peace.

“ Dear David and Family,
We now, all share an empty space in our hearts. Oh! I will miss my sweet Kat. I could always count on her phone calls to pick me up or share a laugh. My first time to VA was my first trip to the country or a farm all to meet my new sis-in-law, niece, and nephew. I was born and raised in Oregon. I hadn't spent any time on a farm in my twenty-two years. I was silly enough to think, I could catch the runt pig they had. It never happened, we all laid on the ground and laughed until we couldn't. Kat said to me "Margaret you were never gonna be able to catch it!" The memory of that day brings me such joy!

Until I see her again

“ My name is Tracy DeFrance! I met David in 2008, as new employees at Sprint. We became friends instantly. David talked with Kathy on every break, lunch, & in-between...I said to him...you need to marry that girl..Eventually they were married! My husband & I, attended the wedding. I finally had the opportunity to meet Kathy...MY GIRL!!!! We became friends instantly & talked frequently on the phone for years, but never ever saw each other again, since the wedding. This is true testimony, that God places people in your life for a reason, & you don't have to ever be in their presence.. We were inseparable over the phone, & her Gorgeous...(David) was the Love of her life!! I will miss you my friend dearly. May God continue to watch over you in Heaven & bless Mt friend, David with strength to move on!! Love you both, D

“ I was fortunate enough to work with Kathy at King & Spalding for some years. She was always the light that brightened any room or task. Her patient and sparkling nature never faded, no matter the enormity of the tasks at hand. She was accessible, kind, and uplifting. I always wanted to be more like Kathy but never achieved it.
