*To the Family: Katie and I were neighbors at Windchase for a very long time. In addition to being neighbors, we were also related. In spite of her physical challenges, she always gave 100% to the young men she worked with through the Job Corp Center. I know that lives were changed because she cared and went the extra mile. She worked really hard instilling an excellent work ethic in those young men as well as her own beautiful daughters. I saw them being there for her and that is a testament to the values that she instilled in them. Her physical body and smiling face will be missed, but let us remember to focus on her strong self and unfailing love for God, family and friends. I can do everything through Christ, who gives me strength. Phil. 4:13*
