“ Love and prayers for the family and friends of our beloved Cousin Kay.

I hold such fond and cherished memories of my Cousin Kay, who truly embodied love, kindness, energy, and glamour. My mother, Celeste Jones Borden, always considered Kay her other daughter. She delighted in visiting Kay in Atlanta and welcoming her warmly in Philadelphia.

Kay was a joy to be in the company of—she always made time for family and surrounded us with her vivacious charisma.

May her family and friends celebrate her beautiful life and lean on God for comfort and peace during this time of loss.

With love and remembrance. 🌸

“ Ooooooh I'm gonna miss me some Kay 😊 She taught me how to train my hair, how to change a car timing belt, how to install a ceiling fan, how to bake bread, how to play bid whist, and how to be tactful during difficult times especially when being chased by her over protective dog, dat ol' Rusty(the dog biscuit didn't stop him) 😭 I'm gonna miss how she made me feel so special, I'm gonna miss her chili, her jokes, her laughter, her swoopin' me up in her mini cooper for a girl's trip, her advice about men, her eagerness to help, her optimism, her pretty smile, her undaunting spirit and love for life, her prayers, her "Birthday Party for Jesus" fellowship gatherings, her loving friendship. I love her and I will always cherish these fun memories! I love Cousin Kay! My sincere condolences to her Family, specifically her children, Tony and Mel, her brother, Kenny and her Auntie Beverly. May God Comfort & strengthen You in your time of bereavement 🙏❤️🙏❤️🙏
