“ I met Kayon while working as a VIF teacher in North Carolina. I will never forget her pleasant personality and the energy she brought to the group. Her smile was contagious. May God strengthen her family and may her soul Rest In Peace

Kind, thoughtful and energetic lady. She will be sadly missed here on earth but certainly Kayon will be a special Angel in heaven. May her soul Rest in Heavenly peace

“ *Kayon Joy, you became JOY to me in my health journey. Thank you for being my regular encourager and prayer partner. Thank you for sharing practical tips and suggestions. Thank you for choosing to check in often to make sure I was ok and remind me that you were there for me. You made Father God proud and I am honored to have known you. Enjoy Heaven, your JOY is filling that place (of that I am sure). I love you and will always be grateful to you.
~Shannan, aka, "Pretty Lady" as you always called me (thanks for seeing me not as a cancer patient but as a pretty fighting warrior).

“ *Dear Scott Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.*

This is a terrible loss. She was a wonderful teacher to my daughter.
