“ I am truly sorry for your loss. Kelia took such wonderful care of my son at Childtime. She was always kind, respectful, and full of energy with the kids. She played such an important role in preparing him for preschool, and it was clear how much she cared for every child in her classroom. Your family is in my thoughts and prayers during this difficult time.

“ Keila was a ray of sunshine. She was loved dearly by all of the Childtime family. I will always remember my daughter running into Keila's arms for hugs. Keila was always sharing her snacks and jokes with my daughter. If Keila was closing down a classroom, best believe she had some good music playing on her phone! I loved working along side her. She treated everyone with respect and kindness. My daughter and I were so lucky to have been apart of Keila's world. My thoughts and prayers for her family and all of her friends. She will live forever in our hearts. Fly high Keila.

“ We are so blessed that Tay introduced Keila into our lives. She was such a sweet, thoughtful, nurturing, and kind girl. She would have made an amazing nurse.

She had an outspoken personality, and we could always count on her to “get Tay together.” He definitely needed that push—lol.

We will forever cherish the memories we shared with her.

Mr. & Mrs. Calixte, you raised a truly special young woman. We are praying that God surrounds you both and brother, Paul, with His strength, comfort, and peace during this incredibly difficult time.

“ Keila was one of a kind. She never ceased to make me smile each time she walked into my classroom. She loved so big and so hard. I loved her like one of my own and she knew it. I’ll miss you sweet girl. Cooper would have loved his “Tee Tee”.

Keila, you will be extremely missed by everyone at Childtime. Your presence in every class brought laughter and smiles, and your compassionate nature was cherished by all. I appreciated the opportunity to work alongside you and feel fortunate to have witnessed your kindness and gentle spirit. May you rest in peace. Keila was an extraordinary person, admired for her inner and outer beauty. Her smile was infectious, and she was loved by both teachers and children alike. Miss you Keila. 😭

“ She was the light of every classroom she walked into at work! Can’t forget her Friday song she always sang with the kids.

I’m so sorry for your loss ❤️
