“ I was blessed to know Keisha Watts for many years in her capacity with the FBI while I've covered the Bureau's Atlanta Field Office for Channel 2 Action News. In my man encounters with her, she unfailingly showed herself to be a bright light with a very bright mind, professional but friendly, warm, good-humored and deeply respected. Having covered that agency for decades, I can tell you that one would not play the critical role she played there for as long as she did without a very high level of trust and a powerful skillset. She was very good people. I will miss her very much and am praying for her family, friends and co-workers.
Respectfully,
Mark Winne

“ I’ve had the privilege to work with Keisha for almost 10 years and we’ve created a friendship and instant bond of laughter, smiles, and joy. When Keisha walked in the room she brought a presence that was inviting for all and felt like a piece of home. We became prayer sisters and gathered in prayer on a weekly basis. My heart breaks that I will not get to hear your voice or see your beautiful smile. We love you and will miss you so much Keisha. My condolences and prayers to Keisha’s family and friends.

“ I remember when we first started working together. Keisha has always let people know how bright a ray of sunshine she was from day one! It broke my heart to hear of her passing. I am glad I was graced with her presence. She has always been one of the sweetest kindest person you would have ever met. She will be sorely missed. Love you forever my work sister and friend.

“ I really don't have words to express my sadness and grief that you are gone. Loss is a gift wrapped in thorns as it hurts but changes and transforms us into Christ's likeness if we let it. It can create compassion in our hearts and soften the hard places of arrogance and self-reliance. We discover that we are not alone on this earthly expedition, but that Jesus is right here with us!

We are deeply saddened by the news of Keisha's passing. Sister Keisha's journey began with me the first Sunday in June when she attended my church, Love Life Christian Fellowship church in Ellenwood. She partook in Holy Communion and continued to visit us in weekly worship. She attended our Vacation Bible School every night and made a beautiful Ketchup pillow in the adult's arts and crafts class. She participated and thoroughly enjoyed the Food Truck Party on the last night.

On August 5, Keisha texted that she wouldn't be attending service the following Sunday. On August 9, I sent her a prayer as she prepared for medical testing. I later learned she had been hospitalized and then received the unbelievably shocking news of her transition. Although short her commitment with us, we will be forever grateful for God sending her our way. I, my husband, and our entire church family are so happy to have met Keisha and that her final days were lovingly spent with us at Love Life. I am sorry for your loss and want you to know that we will be praying for strength, peace, and comfort for her parents, her friend, Gregory Williams, and all family, friends, and coworkers who mourn her loss.

“Only a moment you stayed, but what an imprint your footprints have left in our hearts” (Dorothy Ferguson). May the heavens open and welcome your soul.

“ My sincere condolences to Mr. & Mrs. Watts. Keisha was an amazing woman of God, who was my confidant, spiritual warrior and sweet pea. Keisha was the epitome of a friend who knew how to laugh from the belly, from deep down in her soul. She loved life and all those that came in contact with her left with a smile. I love her beyond measure and I'm forever grateful for the opportunity God gave me to cross paths with her. Rest well MY Sister. Always, Theo.

“ I met Keisha just a short while ago. But it seems as though I've known her forever. Keisha your spirit was so welcoming! Your smile lit up the room. I miss that about you already. Whenever we got together it was guaranteed to be fun and laughter in the midst! The trips our little crew took were great memories made. They will not be the same without you Keisha. So, wherever we go we'll carry you with us in our hearts and memories.
