“ I'm sure everyone who knew Keith, has a funny story to share about  
him! We met through Veronica and stayed joined by our daughters.  
Keith was a great father and always showed my daughter love as if  
she were his own child. I appreciated him for that! We loved talking  
trash about football- we both loved TUCKER, but something got  
twisted along the way and he became an Alabama fan... (God  
forgive him for that SIN) lol... he was always yelling that hideous  
Roolllll Tiiidddee banter which is foolishness to a Georgia Bulldog  
Fan. I guess I could finally say "Roll Tide" for Keith, because if you  
knew Keith, you know he's in heaven somewhere yelling it anyhow.
