

Keith Lamar Williams

September 10, 1955 - November 28, 2021

On September 10, 1955, a bouncing baby boy was born to the parent of the late Enita Mock-Williams in Thomasville, North Carolina.

Keith was well-known as “Peanut 21” while playing football at Thomasville Senior High School where he graduated followed by playing baseball at Lee’s McRae. Keith also played football at Elon College, after college he entered the United States Navy.

After the Navy, Keith and the love of his life Priscilla C. Williams moved to Atlanta, Georgia where he was employed and retired with DeKalb County School System for over thirty years. Due to his loving of sports, Keith also became the manager of James R. Hallford Stadium. During his spare time, he enjoyed watching sports on tv especially Washington (Redskins), Tarheels, New York Yankees, and the Falcons. He appreciated good music and loved looking at politics and informative television shows while sitting back in his favorite chair.

Keith adored his family and friends to the upmost. He was always loving, compassionate, and very quiet but never afraid to speak his mind on any matters that were extremely important to his wife and children. Keith was deeply planted in his faith and took great pride in his spiritual journey.

The highlight of Keith’s life was his family, aunts, uncles, a host of nieces and

nephews, cousins, and many dear friends. They all had a special place in his heart. Keith encouraged everyone and anyone that crossed his path. He was known for his jokes and always keeping a smile on people's face.

Keith L. Williams, leaving to cherish his fond memories includes his wife and children; Priscilla C. Williams, Keion L. Williams (deceased), Lakeita A. Williams and Alexis J. Williams (daughters). Sister; Brenda Greene/Roosevelt (deceased) North Carolina.

On November 28th, 2021, Keith joined his mother Enita Mock-Williams, son Keion Williams, and siblings; Sylvia/Floyd Goree and Joan Williams, of Thomasville, North Carolina.

Keith will be sadly missed by all of us who knew him and loved him so very much.

May his soul rest in eternal peace.

“ Today I celebrate the life of a dear cousin. We remember the smile and infectious laugh, we remember the joker and sports fanatic, we remember the one who got homemade groceries from the Big House to take back to Georgia, we remember the small stature yet big as life man, we remember the loyal husband and dedicated father, we remember the man who loved his family both near and far, we remember Aunt Nada's favorite son, (only son), we remember Joan, Syv-Ann, and Brenda's baby brother and we remember a son who fell in love with Jesus Christ. No words can remove the pain in our hearts today. My prayer is that God's promise to encourage us is knowing that Love never gives up, never loses faith, is always hopeful, and endures through every circumstance. These three things will last forever, Love-Hope-Faith, and the greatest of these is LOVE!

“ Uncle Keith was not just my uncle he was father to me when my dad wasn't here in NC, him and Uncle Floyd watched over us. Uncle Keith always knew exactly what to say and with a smile and hug. My Uncle was a family man loved spending with his wife, children family and friends laughing, dancing, eating and like playing spades with family and friends. Uncle Keith always kept it straight forward when communicating with others, never took sides. My Uncle was a strong, respectful, brave, lovable, encouraging , quiet at times and let's not forget Handsome 🥰❤️ . Uncle Keith will remain always in my heart forever. “ A Tribute to Keith:

🔥🙏 Keith was a rare jewel and had an infectious smile and personality that reached far...

🔥🙏 He loved life, his beautiful family and colleagues at work...

🔥 He took pride in his work and was very efficient delivering mail and packaging...

🔥 If we ordered personal items and had them shipped to AIC, he made sure we got our stuff...

I could go on and on about the positive impact and mark that he made that can never ever be erased.

💔🙏🔥 RIP Keith Williams 🕊️🕊️🕊️🕊️

💔🙏 Keith had a special bond with each one of us

🙏💔🙏 As we all reflect on the impact Keith had on each of us, it is my prayer that as the tears flow healing will be granted to our hearts. He will be missed.

🙏🙏 Continued Prayers for the love of his life Ms. Priscilla and his two lovely daughters. The bible tells us earth has no sorrow that heaven can not heal.
