“ *There was never a more sweeter, loving and peaceful human being like my son. Never raising his voice, no back talk, always accepting. He wanted so much to make me proud. Thank you Kellis for allowing me to be your mom for 18 yrs. I will cherish the memories like they were yesterday. Although it's difficult to think of you gone, I know in my heart you will always be with me. I love you my son...RIP*
